

# AZIENDA VITIVINICOLA PARCO DEL VENDA

## CHARDONNAY I.G.T.

- **NAME:** Colli Euganei Chardonnay
- **GRAPE VARIETY:** 100% Chardonnay
- **PRODUCTION AREA:** Cinto Euganeo
- **YIELD PER HECTARE:** 9000 kg/ha (4 tons/acre)
- **ALTITUDE:** 300 meters a.s.l.
- **EXPOSURE:** south
- **SOIL:** mostly clay
- **VINE TRAINING SYSTEM:** Doppio Capovolto
- **YEAR OF PLANTING:** 1990
- **HARVEST TIME:** second decade of September
- **PLANT DENSITY:** 3300 grapevines per hectare (1350 per acre)
- **VINIFICATION:** After being harvested, the grapes are destemmed and crushed, with immediate removal of the skins and other solid elements. Then the grapes are softly pressed with the help of horizontal pneumatic presses with closed tank (saturable with nitrogen), that facilitate the extraction of a quite clean grape juice. The application of the reductive winemaking technique allows to preserve all the primary aromas specific to the grape variety as well as to totally eliminate oxygen, which is the main responsible for oxidation. The must obtained goes through a fermentation process with selected yeasts at controlled temperature of 17°C. At the end of the alcoholic fermentation, the wine is poured off into tanks for the fining.
- **WINE FINING:** in thermo-conditioned steel tanks, where the wine is kept on fine lees for five months. After bottling, the wine ages in the bottle for a period of three months.
- **PRODUCTION:** 7000 bottles
- **TASTING NOTES:** This wine has a bright straw yellow colour, a fresh and aromatic bouquet, characterised by exotic fruit flavours of banana, mango and melon. Structured, well-balanced and harmonious on the palate. The taste is made even more captivating by the presence of delicate salty mineral notes. It is best served at a temperature of 12°C.

**ALCOHOL:** 13.5% vol.

**RESIDUAL SUGAR:** 4.00 g/l

**TOTAL ACIDITY:** 6.00 g/l

**PH:** 3,20
